ALUMNI DIRECTORS MERGE FUND

The 1962-63 Loyalty Fund of the Lenoir Rhyne Alumni Association will be merged with the 1963 capital funds campaign of the college, Klynt Ripple of Lexington, president of the association, announced recently following a meeting of the alumni board of directors.

Pledging "enthusiastic support" of the forthcoming \$2 million campaign by alumni, the elected representatives directed that the current Loyalty Fund become a part of the capital funds program "in order to assure complete and undivided alumni support in the development program of the college".

The capital funds campaign is scheduled to begin in January and continue through March, the period normally used by Lenoir Rhyne alumni for Loyalty Fund emphasis.

Funds raised in the campaign will be used to meet college needs for an increased endowment, an additional women's dormitory (now under construction), new office building, expansion of the library and enlargement of the athletic field.

The campaign will be the second phase of a 20-year development program at Lenoir Rhyne. The first phase, a \$3.5 million construction program, began in 1955 and resulted in the erection of a gymnasium, auditorium, men's dormitory, science building, music building and (now nearing completion) college center.

The alumni Loyalty Fund is engaged in a six-year project to increase annual alumni giving to Lenoir Rhyne from \$3,000 in 1959 to \$75,000 in 1966. Under the direction of Mr. Ripple, former Loyalty Fund chairman, the alumni met their first two goals of \$12,000 and \$20,000 and had set a \$33,000 goal for the current year. Loyalty Fund gifts to date have been used mainly for improving the faculty salary schedule at Lenoir Rhyne.

Merger of the two funds, Mr. Ripple explained, will include the recognition of alumni givers to the campaign as donors to the Loyalty Fund for the current year. Alumni contributing to the capital funds campaign will automatically be included on the Loyalty Fund Honor Roll of Donors for 1963, regardless of whether they make a separate contribution to the Loyalty Fund.

The 1963 Loyalty Fund goal of 1,300 donors still stands, according to President Ripple. At least that many alumni must contribute to the capital funds campaign (or the Loyalty Fund) for the year to be considered a success in the long-range Fund effort.

Active solicitation for the Loyalty Fund will resume with the 1963-64 fund which has pre-established goals of 1,600 donors and \$42,000.

This is the text of the resolution adopted by the Alumni Association board of directors September 13, incorporating the 1963 Loyalty Fund with the 1963 Lenoir Rhyne capital funds campaign:

"Resolved; that the Board of Directors of the Alumni Association of Lenoir Rhyne College, recognizing the immeasurable benefits the alumni have received from Lenoir Rhyne College and acknowledging their allegiance to their Alma Mater, wholeheartedly endorses the 1963 Campaign for \$2,000,000 in capital funds, and pledges the enthusiastic support of the Alumni Association in making the appeal a success.

"Resolved further, that the 1962-63 Loyalty Fund be incorporated in the Capital Funds Program in order to assure complete and undivided alumni support in the development program of the College; and that alumni contributing to the campaign be recognized and listed as participants in the Loyalty Fund this year."

Homecoming Day Plans Announced For Oct. 27

A parade, barbecue dinner, football game and open house will highlight the 1963 Homecoming Day observance at Lenoir Rhyne college on Saturday, October 27.

Plans for the annual event, announced recently by a special alumni-student-staff committee, call for opening of the observance with the registration of alumni and other visitors in the P. E. Monroe auditorium at 10 a. m.

The parade, featuring student-sponsored floats and visiting bands, will begin on the campus at 2:30 p. m. and tour the Hickory business district before returning to the campus.

The annual barbecue dinner will be served in the college dining hall from 5:30 p. m. to 7 p. m. (tickets, \$1.50), followed by the 8 p. m. kick-off when the Lenoir Rhyne Bears tangle with Frederick college of Portsmouth, Va., at the athletic field.

Half-time festivities at the game will feature the crowning of the student Homecoming Queen, and following the game the student body will entertain alumni and visitors at an open house and dance.

Plans for the event have been arranged by a special committee including two alumni, Clarence Pugh and Seth Crapps of Hickory, and two students, Don Smith of Salisbury and William Dreikorn of Johnstown, Pa.

Bears Open Season With Three Wins

BY HAYWARD THOMPSON

Coach Hanley Painter's Lenoir Rhyne Bears have made a clean sweep of South Carolina opposition thus far this season by defeating Wofford and Presbyterian by identical 15-14 scores and Newberry, 20-19 and the outlook for the remainder of the season is constantly improving.

"We are improving as a team," assures Coach Painter. "We are hitting harder, playing harder and working much better as a team than when we started."

The opening game of the season, however, was not a bad start for the Bears under Painter.

The Bears took an early 7-0 lead from the Wofford Terriers on a sparkling 85 yard punt return by wingback Joe Rhyne. The Bears, however, found it hard to contain All-American halfback Bob Roma and Bobby Hipp and soon trailed the battling Terriers 14-7.

Midway through the third period the Bears started a drive at the Wofford 35 and were not stopped until end Jerry Kandzer had caught a 4 yard touchdown pass from Little All-American fullback Richard Kemp.

Trailing now by one point, the question was how to try for the point after. The Bears were almost assured of the one-point kick from the toe of Marion Kirby, but the decision was made to go for the victory.

ODELL WHITE

The gamble paid off as tailback Odell White faked run and flipped a short arching pass into the arms of Rhyne.

The Terriers tried to come back against the Bear line but the forward wall held and Painter had his first victory at Lenoir Rhyne.

The following week the Bears again took to the road and battled the Blue Hose of Presbyterian.

Again the Bears soon found themselves in trouble and trailed 14-0 midway in the third period. The Bears, aided by the brilliant running attack of White and Kemp, battled back and scored two touchdowns and two extra points in the last quarter and a half for another 15-14 win.

Against Presbyterian, White carried the ball 28 times for 146 net yards and 14 of the 15 points scored by the Bears. Kemp carried 25 times from the fullback position for 81 net yards. These two powerful running-backs accounted for every yard Lenoir Rhyne gained on the ground for the Bears. White also completed four passes for a 70-yard total in the air.

For the third week the Mountain Bears traveled the South Carolina roads and met the Newberry Indians in their roughest battle of the season.

The Bears, running true to form, soon found themselves down 12-0 with less than five minutes gone in the first quarter. Nine

RICHARD KEMP

15-yard penalties and 12 points for Newberry in the first quarter almost put Coach Painter's victory hopes on the rocks.

The bullish running of Kemp and White's end-around bursts again put the hopes back into the Bears. White put the Bears into the scoring column with a 6 yard run and Kemp followed with a 44 yard burst up the middle of the Indian defense.

The Indians, sparked by the passing of quarterback Tom Gorman, scored once again in the fourth quarter to put the Bears against the wall again. With just :37 seconds remaining in the game Kemp plunged over from six yards out after a sustained Lenoir Rhyne drive which was sparked by the running of White.

"Kemp and White are the two best backs in the state," declared Painter after the Newberry victory. "I wouldn't trade them for any other two backs that I know of around here."

"We played at our best against Newberry," added Painter. "The bad breaks were all against us, but we were at least two touchdowns better than they were."

The Bears open their home season Saturday against the Mountaineers and arch-rivals from Appalachian. This Carolinas Conference should be another toughie, but the Bears should be ready.

After the Mountaineers, the Bears travel to Guilford and then return home for a three-game homestand against West Carolina, Fredrick (homecoming) and Eastern Carolina. The Bears then hit the road for the remaining two games against Elon and Catawba to conclude the season.

The outlook is bright for the Carolinas Conference champions thus far, and barring injury the Bears have a good chance to take another championship.

In taking a closer look at the statistics that the Lenoir Rhyne Bears have pounded out, it is obvious that they are better than the one-point victories they have to their credit.

The rushing game has been the biggest asset to Coach Hanley Painter's charges with the brilliant running of fullback Richard Kemp and tailback Odell White figuring high in the net yards for the season.

White, a senior speedster from North Wilkesboro, leads the team in rushing with 70 carries and 371 net yards to his credit. This gives him a 5.3 yard average per carry.

White performed at his best against Presbyterian where he accounted for all but one point scored by the Bears, 146 yards rushing and 70 yards with aerial shots. Coach Painter feels that if White continues to perform as well throughout the season he has a good chance at All-American.

Kemp, Little All-American last season, is second in the rushing department with 62 carries for 296 net yards and a 4.8 yard average per carry to his credit. Kemp's blocking, however, has proved even better this season than last.

All told, the Bears have ground-out 718

Six of the freshmen come from out-of-state, with four of them hailing from the neighbor state of Virginia. They are Miss Fonda Stuart Boatwright of Danville, Va., daughter of Max G. net yards to the opponents 374. The Bear backs are averaging 4.9 as a whole whereas the opposition has been held to a 2.8 yard average per carry.

The Bears passing game is the only department that hasn't come through as well as was expected. White leads in forward passing with 8 completions in 17 attempts for 113 yards.

Opponents found that they could not run through the strong Bear forward wall, so passing was their only out. Of 35 attempts they have completed 17 for 164 yards.

Kemp handles the punting for the Bears as well as his running chores. He has punted 11 times for a 34.5 yard average per punt.

In the scoring department, White leads with Kemp running second. White has scored three touchdowns and one 2-point conversion for a 20-point total. Kemp came through with two tallies in the Newberry contest to give him a 12-point total.

Other scorers for the Bears are: Joe Rhyne, 8; Jerry Kandzer, 6; and Marion Kirby with 4.

The Bears do not hold a commanding lead in total points against the opposition (50 to 47), but the Bears still remain undefeated with a 3-0-0 record on the slate.
